Old Roosters.....6c
The retail grocers pay 20c for eggs, 20c for butter.

EXCHANGE VALUE OF FARM PRODUCTS is the title of a speech made by U. S. Senator Reed Smoot of Utah May 27th, 1910. This speech has been issued in document form by the American Protective Tariff League of New York, as document No. 99.

Our Colored Citizens.

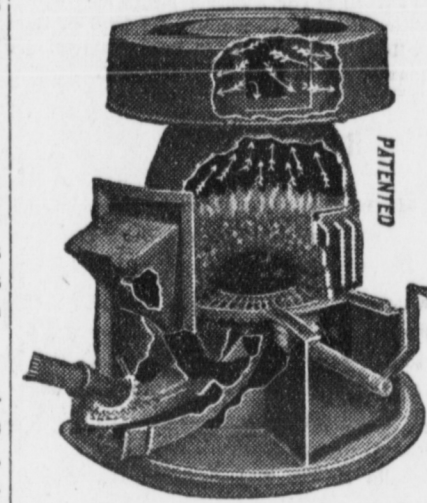

SCOTT'S M. E. CHURCH.

The Woman's Home Missionary met with Mrs. J. S. Bailey on Monday evening. A large number was present, and a splendid meeting was enjoyed by all. Officers were elected and a public installation at the Church Sunday, 24th, 7:30 p. m. Mrs. Dr. Patton will make her report from convention. R. F. B.

Ample Heat At Least Cost.

IMMENSE heating bills and not enough REAL heat to talk about aptly describes past winter conditions in thousands of homes. But while their neighbors were shivering in "cold storage atmosphere," Maysville users of

The Peck-Williamson Underfeed Furnaces and Boilers

Were living in perfect comfort all over the house. The Underfeed way of heating—coal fed from below, all the fire on top—insures as much clean, even heat from cheapest slack as highest-priced anthracite will yield burned in the ordinary type of heating plant. This enables Underfeed users to

Save 1/2 to 3/4 of Coal Bills.

Send for our free books about Underfeed Furnaces and Boilers, and let us prove that it will pay you to install the modern Underfeed, which soon pays for itself out of the guaranteed saving it effects in coal bills. Many in use in Maysville and vicinity. We'd be glad to send a representative to show you how easily and economically your home could be heated by an Underfeed. Heating plans and estimates prepared free of charge. This service will not obligate you to buy. Write today.

SAVE THE FOUNTAIN

Proposition Made By Thomas A. Davis to Donate \$100 to Beautify the Market Street Square

The current issue of Leslie's Weekly contains a panoramic view of the city of Budapest, the most beautiful in all Europe, showing its magnificent buildings, wide avenues and small parkways, many of the latter not one-tenth the size of the recently destroyed Market Street Esplanade.

Beneath the picture is the inquiry, "Why Can't We Build Cities Like This?" The answer is that we have too many vandals on the "Infernal"

Improvement Committees, who destroy rather than improve.

The recent sacrifice of the only remaining shade tree on the Esplanade was an inexcusable blunder that under

the most favorable conditions will require fifteen years to correct.

Before the destruction of this tree I made a proposition to the Chairman of the Internal Improvement Committee that if the curbing of the Esplanade was left standing I would contribute \$100 toward beautifying that spot.

I now renew that proposition, and desire it made of record, upon the sole condition that the city authorities place a substantial concrete curbing across the width of thirty-four feet and the length of the old Esplanade, leaving the inclosed ground perfectly open, the Fountain to remain where it now is. This, I am persuaded, will cost much less than concreting and bricking the surface; and surely a few stately trees and flowering plants will be more pleasing to the sight and accord more with civic pride than a bare street reflecting the hot rays of the sun. Besides, if my suggestion is adopted it will stop all proceedings of property-owners for the reclamation of the seventeen feet on either side of the street, which now promises the city an interminable lawsuit.

I will be glad to hear some expressions as to my plan; and if no considerable number favor it, I will let the matter drop. But for the beauty and glory of the good old town, and for the benefit of those who will make it their home in the future, I hope the city authorities will recognize the importance of preserving the only breathing space that remains in the congested district.

Meanwhile, please look at the photograph of Budapest in the window of The Ledger Printery, and see what a charm the "small parkways" lend to the most beautiful city in Continental Europe.

Thomas A. Davis

Mr. W. W. Willocks, the genial and popular host at "Elks Home," will leave in ten days on a trip to Niagara Falls and through Canada.

Miss Phoebe, the pretty little daughter of Mr. and Mrs. Ed Huron of West Second street, is visiting her aunt, Mrs. Thomas Huddleston of Germantown.

Misses Lillian, Frances and Anna P. Clarke, the beautiful and attractive daughters of Deputy Sheriff John Clarke, are visiting Mr. and Mrs. C. C. Clarke at Paris.

PROPRIETARY MEDICINES PRESCRIBED BY DOCTORS
Examination of the formulary department of leading drugstores throughout the country has proved that a very large percentage of the prescriptions filled for doctors are for proprietary medicines. This is because the average doctor of today is unable to devise prescriptions equally as efficacious. Such standard remedies as Lydia E. Pinkham's Vegetable Compound are prescribed over and over again by fair-minded physicians throughout the country.

Miss Vic Waltz and Mrs. Floyd Thurman of Bartlettville, Okla., are visiting Miss Anna Dieterich.

Prof. W. R. Chandler of Midway has been the guest of Mrs. Jennie Williams and family of Commerce street for several days, en route to Mt. Olivet to visit relatives.

Mr. William Shea of Chicago, an old-time Maysville printer, is visiting his brother, Mr. Henry J. Shea, and shaking hands with his many friends here at his old home.

Miss Lotta Smith and Miss Nannie Thompson and their guest, Miss Mabel Scott of Tennessee, left this morning with an excursion party for a visit to Mammoth Cave.

Mr. William Bryan of Russellville, Excursion Agent for the L. and N. Railway, was in the city yesterday, leaving this morning in charge of an excursion party to Mammoth Cave.

Mr. Isaiah Grigsby of Tollesboro came down yesterday on a several days' visit to his son, Mr. Oscar Grigsby, and will attend the Congressional Convention in this city this afternoon. Mr. Grigsby is in his 83d year, but we are pleased to say he is enjoying fine health for one of such advanced age.

MUSIC GALORE.

Colonel Ed Horrocks, heading the Ashland Band and leading a delegation of about one hundred up-river delegates, presented an inspiring and martial appearance as they marched up Second street this morning with banners flying and band playing. Among those in the crowd were Congressman John W. Langley, Secretary of State Ben L. Bruner, and Collector E. T. Franks.

The Carlisle boys in white suits and natty caps were quite an attractive feature as they paraded the streets discoursing sweet music this morning.

ONE BUSY PLACE.

Manager L. M. Mills of the Maysville Manufacturing Company in West Second street is busy as a nailer these days turning out high-class work. This establishment is manufacturing the wood work for Mr. William Groppenhacker's beautiful and modern two-story residence to occupy the site adjoining that of Major Thomas J. Cuenoweth's home in East Second street. He is also supplying the outfit for two dwellings in Carlisle and the new Christian Church at Ewing, besides other big orders on the books. This establishment is noted for its high-class workmanship and perfection in every respect.

A GRAND MEETING

Proceedings of the Recent Mason County Sunday-School Convention at Mayslick

(Delayed.)

The annual convention of the Mason County Sunday-school Association was held on July 14th and 15th in the Mayslick Christian Church, and was in every respect the most successful ever held in the county. Rev. B. F. Chatham presided at three of the services, the last being in charge of Rev. F. W. Harrop.

The first service on Thursday evening was well attended by the numerous delegates and visitors as well as by the people of Mayslick. State Secretary George Joplin delivered a powerful address on the subject "Is the Boy Worth Saving?" and every feature of the program was interesting and impressive.

On Friday morning, the crowds began to arrive early and all roads in Mason county seemed to lead to Mayslick. Practically all of the forty-four Sunday-schools were represented, and large delegations from the Maysville Churches arrived long before the opening hour. After a splendid song service, reports were received from all the Districts and these were followed by the report of the County Secretary. It was highly gratifying to the workers to see what rapid strides had been made throughout the county during the past year in both the matter of attendance and the adoption of improved methods. It is evident that the people have come to realize that the Sunday-school is not a side issue of the Church, but that it is the Church. Secretary Joplin gave another helpful talk, and the Elementary Conference, presided over by Mrs. Ziegler, brought out many excellent points. One of the most beautiful features of this session was the model Primary service presented by twelve little ones from Maysville and Mayslick.

When the hour for adjournment arrived, the entire assemblage was invited to the Baptist Parsonage, where the ladies of Mayslick served an elegant and bountiful lunch.

The afternoon session opened with a praise service followed by an inspiring account of the World's Convention by Miss Mary Wilson, who was official delegate from Mason county. The remainder of the afternoon was given over to practical discussions and the adoption of resolutions thanking all who had assisted in making the convention such a splendid success, including the efficient County Secretary, the press and the good people of Mayslick. The election of officers for the ensuing year resulted as follows:

President—Miss Mary Wilson.
 Vice-President—Mr. George Frank.
 Secretary—Miss Lida D. Woods.

The closing session was as usual the best, the program being varied and interesting. Dr. John Barbour gave an excellent talk on "The Importance of Bible Study" and a beautiful recognition service was held. After many expressions of hope for greater work in Mason county during the coming year, the convention was finally adjourned.

HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Gage marks 135 and rising.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

SNATHS.

Come in and loaf. Our store is the coolest in town. Good ice water always on tap. Yours to keep cool,

Mike Brown
THE SQUARE DEAL MAN.

BENNETT DAY

Greenup Man to Be Nominated at Congressional Convention Here This Afternoon

The Ninth District Republican Convention, which meets at the Washington Opera-house this afternoon, will confer the honor of a third nomination for Congress on Hon. J. B. Bennett.

of Greenup county. There will be no contest and Judge Bennett will be handed the handsome plum unanimously.

Senator Bradley is to be the big gun of the convention and a host of other notables are scheduled to be present.

Hon. H. B. Bryson of Carlisle headed the procession and a band from his county, and Hon. T. A. Field came in from Ashland with a big delegation and a fine band.

Maysville is full of Republicans and several bands of music are enlivening the occasion.

Squire J. O. Pickrell is acting as County Judge during Judge Rice's absence from the city today.

Mr. Edward Schwartz, visiting in Oklahoma, has bought a section of land in that thriving State and is putting it in shape with a view of establishing a cattle ranch.

West Second street is at present in a chaotic state from Wall to below the C. and O. Depot, caused by the brick street improvement now in progress. Transportation to and from the Depot is maintained by transfer wagons and drays with difficulty. It is hoped matters may be arranged by which the work will be pushed forward to an early completion.

Mr. Robert A. Cochran, Attorney Thomas D. Slatery, County Judge W. H. Rice and H. L. Walsh left yesterday afternoon via automobile for Frankfort, the three former to be in attendance upon the trial of the Maysville Street Railway Company vs. City of Maysville, and Mr. Walsh to look after some important matters in connection with his office as State Revenue Agent.

COME in TODAY

The values of the big sale are not centered in one day. You'll find just as much to interest you today as yesterday. Of course some lots are sold out in a day and others reduced to the vanishing point but with such a large supply it will take many days to sell ALL the bargains. If you didn't get here the first day don't imagine there isn't plenty left to interest you. Limited space enables us to mention only a few, come to the store to see them all.

Linene Suits

If there's a journey in your vacation plans of course you want a linene suit. Tailored with the same exactness as the wool suits, and so much more comfortable! Savings now—

\$3 Suits \$1½.
\$4 Suits \$2½.

Blue, natural, white.

Children's

25c Parasols 19c

Only a few so if you want to delight some little Miss, don't delay. Plain or scalloped edges, blue, pink, red.

Two Umbrella Specials

\$1. \$1.25. It isn't often one article will do for extreme opposites in weather conditions but these good-looking umbrellas will give equal service for rain or shine. Don't think of the usual \$1 and \$1.25 umbrellas when you read this, think of something much better and even then you'll actually have to see the umbrellas to believe what splendid values we are giving. Black, heavy Union taffeta covers, two sizes, big handle assortment.

1852 **HUNT'S** 1910

It is stated that Sunday's storm cut down Kentucky's crop yield one-half, but this is greatly exaggerated.

J. J. Corbett declares he has an unknown fighter who will post \$50,000 that he can lick Johnson.

The blackberry crop promises to be abundant in some counties, notably in Fleming and Nicholas.

Smoke Masonian, 10 cent cigar for 5c. The Public Ledger, local and long distance Phone No. 40.

Should it not be the Metropolitan Upstart Company?—New York Musical Courier.

It is now stated in an official report that of the 41,871 American citizens who emigrated to the Canadian Northwest in 1909, at least 15,000 have returned to the United States.

The present Tariff law in the nine months ending April 30th yielded revenue to the amount of about \$252,000,000, which is more than any previous Tariff has yielded in a like period.

"I sincerely trust that public sentiment will be so aroused, and will make itself felt so effectively, as to guarantee that this is the last prize fight to take place in the United States and it would be an admirable thing if some method could be devised to stop the exhibition of the moving pictures taken thereof."—Theodore Roosevelt.

PROFESSOR A. WOEIKOF, after an examination of the geographical and economic conditions of the problem, announces his conclusion that in the future meat will become too expensive for ordinary food, and that man must eventually derive practically all his sustenance from the vegetable kingdom. But he believes that there will be no lack of food on that account.

THESE United States are now staggering along with three National Capitals, as it were—Washington, Beverly and Oyster Bay. Lincoln, Neb., would also like to get in the swim.

BUT for payments from the general fund during the year of \$33,911,673.37 for the Panama Canal, a surplus of all receipts over all disbursements would be shown of \$13,007,116.67.

THE World says that President TAFT's motive for sending NAGEL and WICKERSHAM to Alaska is not a political one, but to ascertain the truth as to the charges that the GUGENHEIMS have control of the territory. The President will no doubt also send an expedition to Indiana to see if Senator BEVERIDGE owns the Hoosier State.

If the payment of all honest debts on this earth was one of the requisites to get through the pearly gates at which St. Peter stands guard, there is no doubt but what a good many fellows on this earth at the present time, should they meet with sudden death, would be unable to prove that their earthly accounts were squared with those to whom they were indebted. As life is uncertain, it behooves every man to settle up their little accounts, remembering that their creditors have their obligations to meet and must have money to pay them.

ONE KIND.

Yonker's Statesman.

"Pop."
"Yes, my son."
"Were there two of every kind went into the ark?"
"Yes, my boy; two of every kind."
"And was there two suffragettes?"

Relatives of Carl Etherington, the Harrodsburg boy murdered by the mob at Newark, Ohio, have sued Licking county for \$5,000 damages, and will also ask \$40,000 damages from former Sheriff Linke.

IF SEEING IS BELIEVING, You will certainly believe in our eyeglass skill when you look through the lenses we make. We examine the eyes expertly and thoroughly. We grind the lenses to fit each individual case. WE KNOW HOW.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but blind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the bowels to move naturally to again buy it of your druggist at fifty cents and one dollar a bottle, just as so many others doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind. J. F. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

J. JAS. WOOD & SON, Druggists, Maysville.

The weather: Generally fair today; Thursday, partly cloudy.

Mr. William R. Fee, President of the Ohio Valley Bank of Portsmouth, Ohio, accompanied by his wife and daughters, and a party totaling fifteen, en route to Cincinnati on the steamer Greenland on a pleasure trip, stopped off at Maysville last evening for a brief period, viewing our attractive Esplanade by electric light. President Fee declared that if Portsmouth had such a fountain and square it would be worth \$25,000 as a breathing space. He thought Maysville only lacked civic pride and intelligent direction to make our grand old town one of the most beautiful on the Ohio river.

THE POWER OF STEAM.

The Burley Tobacco Pool was upheld when County Judge Cleary of Kenton county decided that the Society was entitled to 20% damages against farmer Sherman Stephens, who pooled his 1909 crop and then sold his crop outside the pool.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was. Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Foot power required to run a sewing machine is little to be sure, but it is enough to give the average woman a backache

A General Electric Motor will drive the machine, allowing undivided attention to be given to the sewing.

The result is better work, more of it, and no backache. The cost of operation averages one cent an hour.

A General Electric Motor can be attached to any standard machine and operated from any electric light socket.
